

'Zip Your Lips'

Lyrics and Music by Ms. Garrett
© 2006 www.musictechteacher.com

Zip your lips,
It's the thing to do,
In the classroom, the hallway,
And the lunchroom, too!

Listen to your teachers,
Quiet's best for you!
It's cool, it's nice,
And respectful, too!

Let's all work together,
to be really nice.
Take it from me,
It's great advice.

At Central Park School,
It's the best way,
Just zip... your lips,
And have a great day!

'Don't Run in the School'

Lyrics and Music by Ms. Garrett
© 2006 www.musictechteacher.com

[Introduction – Hear sound of running feet and a chant.]

When you are a runnin',
In-side the school,
You might slip and fall,
You know it's not the rule!

So don't go a runnin',
Through-out the school,
The adults might be watchin' you,
Breakin' the rule!

Don't go a runnin',
In Central Park School.
Set a good example,
Lookin' really cool.

Just walk through the hallways,
And tell your friends, too,
Just don't go a runnin',
In Central Park School!

Central Park Will Pass the S.A.T.!

Lyrics and Music by Ms. Garrett
© 2006 www.musictechteacher.com

It is almost time for the SAT.
Central Park School's got it down pat.
It's almost time for the A- R- M- T.
We will be the best we can be!

First we will get a lot of rest.
Then we'll come in and do our best.
Every day we'll think carefully,
We'll show what we knowyou will see!

The people at Central Park believe,
We are sure.... we can achieve,
We just know that we'll receive,
A great score on the SAT!

S – U – C – C – E – S – S ,
Central Park kids will pass the test!
We'll show the school system and the rest,
That Central Park kids are the best!

'Pride in Our School'

Lyrics and Music by Ms. Garrett
© 2006 www.musictechteacher.com

Central Park School's looking really nice!
Please let us give you some great advice...
Keep your hands and feet off the newly painted walls,
When you are walking up and down the halls.

Let's take pride in keeping it clean,
And, of course, always ready to be seen.
Parents and guests will appreciate you more,
If you work together as we restore....

Central Park School as a beautiful place,
To learn, work and play at a steady pace.
A great environment to create,
A great place to teach and to educate.

Keep the school clean and you will see,
A sense of pride and joy can really be,
Re - warding for you, and for me.

Keeping it clean is just the start,
Of learning how to live and be – come smart!

Music Technology Website
by Ms. Garrett
www.musictechteacher.com

The Music Tech Teacher website features over 300 pages of music quizzes, games, worksheets, lesson plans and student work, as well as in-service information related to teaching music and technology.

The songs created by the teacher and students are being used to teach the students how a simple studio recording session works and the process used to create the music and CD's. We have posted the audio files of these songs on our website under 'Lessons'.
