Transposition is the process of re-writing a piece of music in a different key. The line below is written in the key of C Major.

Each note below was transposed an interval of a perfect 5th higher from the notes above. The line below is now in the key of G Major.

The music below is in the key of C Major.

Using the notes above, transpose the line of notes to F Major, a perfect 4th higher.

Transpose the notes below up a Major 2nd, to G Major.
